«Lo mejor que he visto en la prensa que ofreció en Cuba con sus médicos, así se el salón de actos del Colegio expresó el doctor Agustín P. Médico Nacional. El doctor Pons, eminente médico Pons es ampliamente conocido español, durante la conferencia en los grandes centros

asistenciales de Europa, en donde en materia de Clínica Médica es llamado con justicia El Maestro. Ha sido además, presidente del Instituto Médico Farmacéutico y presidente de la Academia de Ciencias Médicas, siendo en la actualidad su presidente de honor.

Actualmente se encuentra de visita en nuestro país, acompañado por su auxiliar el doctor Pedro Botet invitado por el Consejo Científico del Ministerio de Salud Pública y el Colegio Médico Nacional.

Procedieron a la dirigente revolucionaria en el uso de la palabra, el jefe de la Misión de Frente Nacional de Liberación de Vietnam del Sur, Vo Trong Giang, y el secretario general del Comité de Base de la UJC del MININD, Tomás Álvarez.

Comenzó Vo Trong Giang refiriéndose a que no está celebrando en Vietnam del Sur los festejos del Año Nuevo Lunar "El calendario lunar de 1964 terminó muy mal para los paraguas, y el de 1965 empezó peor", dijo.

Explicó después que durante estos festejos se aprovechará para hacer un balance de las actividades realizadas en 1964 y trazar los planes a desarrollar en 1965. Afirmó que ya los imperialistas y sus lacayos no son los que deciden la situación en Vietnam del Sur, sino el pueblo y el Frente Nacional de Liberación.

En relación con la cooperación material que está realizando Cuba en favor del pueblo sudvietnamita, Vo Trong Giang expresó que esa ayuda no solamente sirve a los habitantes de los tlfones, sino de estímulo para aliciar la lucha de liberación.

Al terminar de hablar el jefe de la Misión, una joven comunista le entregó un cuadro de Julio Antonio Mella en nombre de todos los trabajadores de MININD.

Asistieron al acto el embajador de la República Democrática de Vietnam, señor Nguyen Thanh Ha, y el viceministro de Desarrollo Técnico, Ingeniero Tirso W. Suenz. (Reportero: Raimundo Rodríguez).

hospitalario, el trabajo de los médicos y la organización asistencial en general, el doctor Pons respondió: "Me es muy fácil contestar a esa pregunta: la organización hospitalaria en Cuba responde plenamente a los postulados de la medicina del régimen".

Dr. Agustín Pedro Pons

do el mundo tiene cabida en los hospitales, sin distinción de clase! Además, los centros asistenciales están bien equipados, yo diría que casi con riqueza, si no fuera porque esto parece un término burlesco.

Capítulo aparte merecen los servidores de estos centros. No quiero que parezca ligeros, pero tengo la impresión de que son médicos de una gran cultura, con una gran sed de aprender. Son médicos que están al corriente de las mejores técnicas modernas, y sobre todo, hay en ellos el entusiasmo. No cabe duda que todo esto converge en un mejor servicio. He visto de cerca que en ningún lado he visto apatía, sino un coraje de gente en el que todos vibran. Y tengan entendido que un cuerpo de médicos que así sienta su profesión, sea dentro de poco uno de los mejores del mundo. Todo esto lo puedo

Los equipos de trabajo se dividieron en interiores y exteriores. Los interiores estarán formados por algunos de cuarenta personas, teniendo la responsabilidad del arreglo y mantenimiento de las áreas verticales y horizontales al planel. Los equipos exteriores los formarán algunos de los quinientos y tendrán como tarea fundamental la de ir al frente de las áreas verdes en la zona en que se encuentre ubicada la escuela.

### TRANSMISION DE ENFERMEADES INFECCIOSAS

La transmisión de una bacteria que causa enfermedades desde una persona enferma a una persona sana, se efectúa de diversos modos.

El agua transporta gran cantidad de bacterias. Por eso hay que hervir el agua. La candela mata los microbios.

La leche puede transportar también bacterias patógenas. Hervir también la leche.

Los alimentos también pueden transportar bacterias patógenas. Proteja los alimentos.

En ocasiones intervienen los insectos. Por ejemplo, una mosca es capaz de cagar hasta diez millones de microbios. Y al pasarse en el cuerpo del niño, o en el tete, o en los fumeros, los infecta. El mosquito Aedes Egypti puede transmitir la fiebre amarilla. Otros animales, como el perro y el gato pueden transmitir la rabia.

que en una zona más mejor que he visto en Cuba, sus médicos'.

A las preguntas sobre un posible intercambio médico entre Cuba y España, el doctor Pons contestó que está estudiando de promesas y que probablemente en su viaje tratará de obtener cambios a este intercambio científico. Señaló que para esto Cuba y España tienen una gran facilidad, y es que ambos países hablan la misma lengua. **Conversativa**

Siguiendo el curso de la entrevista, el científico español nos dijo: "No he tenido tiempo de ver nada sobre medicina rural, pero estoy enterado de que se han hecho muchos hospitales rurales y "comunales" y el que se lo está prestando una gran atención a la asistencia médica en el campo".

Sobre un posible retorno a Cuba, el Dr. Pons respondió: "Mejor volver en un plazo muy breve. Sobre esto he hablado con el Viceministro y el Ministro del MINSA y creo que hemos llegado a un acuerdo".

A las preguntas sobre su libro "Clínica Médica", que es usado como libro de texto en nuestra Universidad, dice: "Este libro no puedo hablar porque es como el elogio de un padre al hijo, pero los diré que no es obra mía solamente, sino que me ayudaron en la obra muchos médicos. Hay muchas obras que se tratan sobre lo mismo, sobre todo, libros americanos; pero estos están escritos muy espasmosamente, con mucha superficialidad; nosotros, por el contrario, nos reunimos semanalmente para hacerla mejor, y me creo que ha sido de su éxito".

Respecto al Hospital Sigüenza, el Dr. Pons dice: "Este culmina la obra médica que se ha hecho en Cuba. Ya no puede ser mejor. He podido hablar, pero no se puede. Es un mundo aparte, es quizás la obra más afortunada de la medicina con respecto a medicina".

Los reporteros quisieron saber la opinión del doctor Pedro Boret, asistente del doctor Pons, acerca de la medicina en Cuba, lo a lo que el aludido contestó: "Nada se puede agregar a lo que he dicho por el Dr. Pons, pero hay algo que si quisiera decir: En este viaje he aprendido a ser humilde, puesto que yo, médico joven, como muchos otros países, leeré, bueno, voy a Cuba, doy unas conferencias y ya. Pero después de visitar varios hospitales, después de ver un lugar como el Departamento de Química y Biología del Hospital "Fajardo", uno debe hacer un acto de contrición y reconocer que a Cuba también venimos a aprender". **Que?**

## STANDARD CONDITIONS OF RADIO NEW YORK WORLDWIDE CONTRACT FOR BROADCASTING

### 1. PAYMENT AND BILLING.

(a) Time Payments under this contract are to be received by STATION at the address specified on STATION's bills on or before the 15th of each month following that in which broadcasting is done. Payment is to be made in United States funds, not payable at a New York City bank, unless specifically provided to the contrary on the face hereof.

(b) Materiality. In all cases date of payment is material. If STATION fails to receive timely payment, or if ADVERTISER or AGENCY credits, in STATION's reasonable opinion, imputedly, STATION in its own discretion, may at any time cancel this contract under sub-paragraph (a) or change the terms of payment for further broadcasts under this contract.

(c) Billing. STATION will bill AGENCY at intervals following broadcasting.

### 2. TERMINATION.

(a) Broadcasts Other Than Participations and Spot Announcements. If this contract calls for broadcasts of time periods other than participations and spot announcements, the entire contract may be terminated by either party effective at the end of any 15 week cycle of broadcasting hereunder upon giving the other party not less than 28 days' prior written notice.

(b) Participations and Spot Announcements. If this contract calls for broadcasts of participations and spot announcements the entire contract or parts thereof may be terminated by either party at any time by giving the other party not less than 14 days' prior written notice.

(c) Claims. If STATION is notified of any claim caused by error, out of, or resulting from any broadcast hereunder, whether in connection with program material furnished by AGENCY or STATION, or otherwise, and such claim is deemed substantial in STATION's reasonable opinion, STATION may, by giving written notice to AGENCY, terminate this contract as to any or all further broadcasts.

(d) Effect of Termination. If AGENCY terminates this contract under sub-paragraph 2(a) or (b), AGENCY will pay STATION at earned rate for broadcasts contracted for to and including the date of termination. If STATION terminates this contract under paragraph 2, as to any or all broadcasts scheduled hereunder, such termination shall be without penalty of short rate, that is AGENCY shall have the benefit of the same discounts that it would have earned if STATION had not so terminated and this contract had continued through the last broadcast scheduled. If STATION terminates this contract under sub-paragraph 2(b) or (c) as to less than all of the broadcasts scheduled hereunder, AGENCY may, upon giving STATION written notice within seven days after STATION's notice, terminate this contract in its entirety simultaneously with the effective date of STATION's notice, in which event such termination shall also be without penalty of short rate.

### 3. EFFECT OF BREACH.

(a) By Agency. STATION reserves the right to cancel this contract of any time upon default in the timely payment of bills, failure to furnish copy or acceptable material to STATION, or other material breach of the terms hereof. Upon such cancellation all charges accrued hereunder and not paid shall become immediately due and payable, and AGENCY shall also pay, as liquidated damages, a set sum equal to that which AGENCY would have been obligated to pay had it, on the effective date of STATION's cancellation, given notice of termination pursuant to sub-paragraph 2(a) or (b), less any net sum which STATION actually receives for the sale of the same airtime.

(b) By Station. In the event of a material breach by STATION in performing this contract, AGENCY reserves the right to cancel this contract. Upon such cancellation STATION shall pay, as liquidated damages, a set sum equal to the actual non-cancelable out-of-pocket costs necessarily incurred by AGENCY through the cancellation of this contract. STATION'S liability, however, shall not exceed the net time costs involved for the unexpired and non-cancelable portion of this contract, that is, STATION shall not be liable for any sum greater than the sum of the net time charges involved had it, STATION, on the effective date of AGENCY'S cancellation, given notice of termination pursuant to sub-paragraph 2(a) or (b), failed to broadcast covered by paragraph 4 or 5, that act be deemed a breach of this contract.

(c) Limitation of Liability. In the event of cancellation under this paragraph 3, neither party shall be liable to the other otherwise than as specified in this paragraph and in paragraph 8.

### 4. FAILURE TO BROADCAST.

If as the result of public emergency or necessity, government order, force majeure, restriction imposed by law, Act of God, labor dispute, mechanical breakdown or any cause, similar or dissimilar, beyond STATION'S reasonable control, STATION fails to broadcast all or part of any program, participation or announcement contracted to be broadcast hereunder, STATION shall not be liable except to adjust its time charges as hereinafter stated: (a) if no part of a scheduled broadcast is performed, a later broadcast of the omitted program, participation or announcement shall be made at a reasonably satisfactory alternate day and time, and if no reasonably satisfactory substitute day and time are available, the time charges for the omitted broadcast shall be waived; (b) if part of a scheduled broadcast, but not all thereof, is omitted, STATION shall allow a pro rata reduction in the time charges; or if a commercial portion of a broadcast is omitted, a credit in the same proportion to the time charges when the omitted commercial portion bears to the total commercial portion of the broadcast, or a lesser amount.

In any such case of total or partial failure, AGENCY shall have the benefit of the same discounts which it would have earned if the affected broadcast had been performed in full.

### 5. PRE-EMPTIONS FOR PROGRAMS OF PUBLIC INTEREST OR SIGNIFICANCE.

(a) Conditions of Substitution. STATION shall have the right to cancel any broadcast or part of thereof covered by this contract in order to broadcast any program or event which, in its absolute discretion, it deems to be of public interest or significance. In any such case STATION will notify AGENCY if a change is reasonably possible, but where such notice cannot reasonably be given, STATION will notify AGENCY within a reasonable time after such scheduled broadcast that AGENCY'S broadcast has been pre-empted.

(b) Adjustment. If AGENCY and STATION cannot agree upon a satisfactory substitute day and time, the broadcast time so pre-empted shall be deemed cancelled without affecting the rates, discounts, or rights provided under this contract, except that AGENCY shall not have to pay STATION any charges for the cancelled broadcast.

### 6. RATE PROTECTION.

Station reserves the right at any time or times to change the rates, discounts and charges hereunder to conform to any rate card issued after the date of this contract. AGENCY shall have the benefit of any decrease in the aggregate sums payable hereunder beginning as of the effective date of such rate card. But no increase in said aggregate sums shall be applicable until there is a decrease from the effective date of such rate card. The protection against rate increases is applicable

only to broadcast schedules contracted for prior to the effective date of such rate card and in effect or starting within thirty days after the effective date of such rate card provided that any interruption or lapse of schedule not attributable to STATION shall automatically terminate such protection.

### 7. PROGRAM MATERIAL.

(a) Agency Responsibility. Unless otherwise noted on the face of this contract, all program material including talent and commercial announcements, shall be furnished by AGENCY, and all expenses connected with the delivery thereof to the STATION and return therefrom, if so directed, shall be paid by AGENCY. AGENCY shall deliver complete music cue sheets for all musical compositions designated by AGENCY for broadcast and all other program material not less than 96 hours (exclusive of Saturdays, Sundays and holidays) in advance of broadcast.

(b) Approval of Material. STATION may, in its discretion, reject any musical compositions, and may reject recordings, the technical quality of which does not comply with STATION'S standards. All live program material to be broadcast hereunder shall be adequately rehearsed, and all live and recorded material to be broadcast hereunder shall conform to the STATION'S program and operating policies, STATION'S labor contracts, and the public interest, including specifically, but not limited to, the Federal Communications Commission regulations requiring that international broadcast service shall reflect the culture of this country and shall promote international good will, understanding and cooperation. Program material and performer, furnished by AGENCY are subject to STATION'S approval and STATION may exercise a continuing right to reject or cause AGENCY to edit such material or replace performers to the extent STATION deems necessary to conform to the standards specified in this sub-paragraph.

(c) Right to Edit or Substitute. Should STATION fail to receive satisfactory program material when required hereunder, STATION may notify AGENCY, and if STATION receives satisfactory program material within 24 hours after such notice is given, STATION shall have the right to edit any program material received and broadcast the same as edited, or to produce a substitute broadcast, and STATION will be paid for such edited or substitute broadcast its regular charges for the broadcast, plus a reasonable charge for the editing, or production of a substitute broadcast.

### 8. INDEMNIFICATION.

(a) By Agency. AGENCY will hold and save STATION harmless against any and all liability and expense, including attorneys' fees, resulting from the broadcast of programs or program material prepared, produced or furnished by AGENCY, including musical compositions, excepting such liability as may result from the broadcast on AGENCY-produced broadcasts of material furnished by STATION.

(b) By Station. STATION will hold and save AGENCY harmless against all such liability and expense, including attorneys' fees, on STATION-produced broadcasts, excepting only such liability as may result from the broadcast of commercial and other material furnished by AGENCY. In addition, STATION will hold and save AGENCY harmless with respect to material furnished by STATION for AGENCY-produced broadcasts.

### 9. INCREASED COSTS.

If at any time or times under any collective bargaining agreement(s) by which STATION is bound or to which STATION adheres, or under any law, foreign or domestic, the costs of any service, material or personnel furnished by STATION hereunder is increased as the result of the establishment of or change in minimum compensation payable to personnel, or taxes, assessments, benefits or contributions payable by STATION, AGENCY shall pay STATION the amount of each such increase in costs as of the effective date thereof.

### 10. GENERAL.

(a) Broadcast Times. STATION will perform the broadcasts covered by this contract on the days and at the approximate hourly times provided on the face of this contract, and STATION reserves the right at any time or times to change the days and/or hours of broadcast, in the event of changes by the Federal Communications Commission in allocation of hours and/or frequencies. In such event mutually acceptable alternate days and/or hours shall be substituted; if, however, the substitute times offered by STATION in AGENCY are unacceptable to AGENCY, AGENCY shall have the right to cancel upon giving STATION written notice thereof, and such termination shall be without penalty of short rate. Times mentioned shall be those in effect at STATION on the respective days of broadcast. STATION may deduct from any period of five (5) minutes or longer not more than thirty-five (35) seconds for station break purposes.

(b) Handling of Property and Mail. STATION shall exercise no more precautions, but ADVERTISER shall be liable jointly and severally with STATION hereunder for the property furnished by AGENCY in connection with broadcasts hereunder. STATION will not accept or process mail, correspondence or telephone calls in connection with broadcasts except after its prior approval, and it is approved, at the sole risk of AGENCY and subject to reimbursement by AGENCY for all expense incurred.

(c) Relationship of Advertiser and Agency. If this contract is with a recognized advertising agency as agency commission of 15% will be allowed, if and as provided on the face of this contract, AGENCY is making and shall perform this contract as agent for a disclosed principal, i.e., the sponsor named on the face of this contract, but if ADVERTISER defaults in the performance of any obligation to STATION hereunder, AGENCY by executing this contract waives notice of such default and agrees to be liable jointly and severally with ADVERTISER, for any and all claims, debts, demands or obligations owing to STATION. If this contract is made directly with a sponsor, references to AGENCY shall apply to ADVERTISER, except that no agency commission will be allowed.

(d) Assignment and Waiver. AGENCY shall not without the written consent of STATION assign this contract or any of AGENCY'S rights hereunder. STATION may not be required to broadcast hereunder for the benefit of any sponsor other than ADVERTISER named on the face of this contract, or to broadcast hereunder for the advertisement of any institution, service or product other than that named on the face of this contract. Notwithstanding the foregoing, ADVERTISER shall have the right at any time or times to designate any advertising agency to act for ADVERTISER hereunder in place of AGENCY. Failure of STATION or AGENCY to enforce any of the provisions of this contract shall not be construed as a general relinquishment or waiver as to that or any other provision.

(e) Legal Obligations. STATION'S obligations hereunder are subject to the terms and conditions of licenses held by it and to applicable international, federal, state and local laws and regulations.

(f) Entire Agreement. This contract contains the entire agreement between the parties relating to the subject matter herein contained shall be construed according to the law of the State of New York, where STATION'S office is located, and cannot be changed or terminated orally.

(g) Notices. Notices given by prepaid telegram or by registered or certified mail shall be deemed given when dispatched. Notices given by ordinary mail shall be deemed given when received. All notices hereunder shall be in writing and if given by other than personal delivery shall be addressed to the party at the address specified on the face of this contract or to such other address as may be specified hereunder in writing.

Gentlemen:

We have received your check for \$1,923.75 in payment of Invoice #1382 covering a reduced billing for three broadcasts per week from November 16 to November 30.

However, since we carried, at your request, 6 broadcasts per week for this period, we sent a supplemental Invoice #1389 for \$607.50 to cover these additional broadcasts.

Since we have also received payment for your December Invoice #1399, we wonder if you have misplaced Invoice #1389 covering the additional broadcasts for November.

Enclosed is a copy of Invoice #1389 along with your February Invoice.

Very truly yours,

  
Richard W. Grefe  
Vice President

Mr. Ralph Brent  
Radio New York Worldwide-WRUL,  
4 West 58th Street,  
New York 19, N.Y.

Dear Mr. Brent,

Under the terms of our agreement with you, we hereby wish to advise you that beginning 1 December 1964 we desire to reduce the number of the "Medico y Usted" broadcasts from six per week to three per week. If possible we would like to retain the Monday, Wednesday and Friday time slots. If this is not possible, our second preference would be for a Tuesday, Thursday and Saturday schedule.

Thank you very much for your cooperation in this matter and we look forward to continued collaboration with you in these matters of mutual interest.

Sincerely yours,

(DAMA)
